### PROFESSIONAL SUMMARY

---

With a strong educational foundation in Social Sciences and a deep passion for digital technologies, I have successfully blended these areas in my career. My experience spans the Edtech sector, where I have excelled in teaching, project management for course content creation, and leading academic teams. Most recently, I served as a Technical Project Manager. I am now focused on advancing my career in Project Management, with interests in both technical and non-technical roles.

### EXPERIENCE

---

#### TECHNICAL PROJECT MANAGER

*Apr 2024 - Aug 2024 | Freelancer.com , Buenos Aires, Argentina*

Responsibilities:

- Project Management for technical projects
